"MIT-Zaragoza Women in Logistics and SCM Scholarship" 2013

Presentation and objectives

The Zaragoza Logistics Center currently provides a number of scholarships each year for students of the MIT-Zaragoza Master of Engineering in Logistics & Supply Chain Management (ZLOG) program.

Through the MIT-Zaragoza Women in Logistics and SCM Scholarship, the Foundation hopes to motivate outstanding female candidates to become active leaders in the logistics field. Candidates will be expected to show extraordinary potential for leadership and professional success, bringing new vision and commitment to the area of Logistics and Supply Chain Management.

Coverage

The scholarship covers 50% tuition for the MIT-Zaragoza Master of Engineering in Logistics & Supply Chain Management (ZLOG) program, which amounts to €21,500 for a student of the academic year 2013-2014.

The scholarship will not include other costs such as living or travel expenses to Zaragoza or to Boston for the international exchange.

Eligibility

Scholarships are awarded only to female students who have been admitted to the MIT-Zaragoza Master of Engineering in Logistics & Supply Chain Management (ZLOG) program through the Foundation's regular admissions procedure.

Furthermore, the applicants should display exceptional academic achievement and distinctive personal accomplishment in addition to an interest in pursuing a career in Logistics/Supply Chain Management.

To be eligible you must comply with the following criteria:

- Granted admission to the MIT-Zaragoza Master of Engineering in Logistics & Supply Chain Management (ZLOG) program.
- Completion of a four year undergraduate program equivalent to a Bachelor's Degree.
- Fluency in English, competitive TOEFL score. Exceptions may be granted to individuals who have demonstrated evidence of advanced verbal and written proficiency in the English language.
- Competitive GMAT score.

Universidad
